

## WP4 Flow Chart

TT calls Royal Cars (01865 111 333) using the COPE account number and arranges transport from the Churchill to the recipient hospital.

TT travels to the Churchill to collect equipment:

- COPE sample box
- Centrifuge
- Ice box
- 2 biopsy guns
- Laptop
- Barcode scanner
- COPE backpack

TT completes departure log table and leaves for recipient hospital

On arrival TT locates the theatre and sets up the equipment

TT informs the surgeon and anaesthetist of their arrival and briefly explains their role

TT records recipient data and requests samples are taken.

TT returns to Oxford with Kidney Assist machine, equipment and samples
